

Grammar and Composition/Part A – High School

COURSE DESCRIPTION: In the course, students will consider the themes of personal identity and coming of age as they engage in writing assignments designed to provide basic writing practice. Students will read several short literary pieces. Instruction will focus on ideas, organization, sentence fluency and conventions.

Diagnostic Assignment: Initially, this assessment will be used to assess students skills. As the course continues, students will use the diagnostic assessment to apply revision skills and to demonstrate improvement.
